

PRIVACY POLICY

This Privacy Policy (hereinafter "Policy") outlines and regulates the actions of Amirox Investment Corporation PTY LTD (hereinafter "Company"), number in the register of legal entities in Australia 654744975, operating through the web resource <https://amirox.company> (hereinafter "Site"), such as the collection, processing, storing, using and protecting of personal data of Users (hereinafter "User").

The administration of the Company strongly recommends that the User carefully read the provisions of this Document. Creation of account and use of the Site equates with the User's agreement with all the terms of this Privacy Policy.

GENERAL PROVISIONS

1. This **Policy** is an integral part of the activities between the **Company** and the **User**. Use of the **Site** implies the **User's** consent to this **Policy**.
2. The **Company**, in accordance with the laws of **Australia** and international legal acts, makes all possible efforts to protect personal information of the **User**.

PURPOSES OF PERSONAL DATA PROCESSING

3. The purposes of processing of personal data of **Users** are:
 - a. Providing access to the tools of the **Site**, in particular to the personal account of the **User**.
 - b. Fulfillment of obligations under the contracts concluded between the **Company** and the **User**.
 - c. Communication with **Users** by sending them e-mail notifications or newsletters.
 - d. Collection and processing of data for analytical statistics.
 - e. Providing support for **Users**.

COLLECTION, PROCESSING, USING, DISCLOSURE OF USER DATA

4. To collect data, the **Site** uses:
 - a. Cookies sent by a browser to the **Company's Site**.
 - b. Data provided by the **User** in person, as part of the application to the **Support Service** (e.g. by sending an e-mail to the **Company Support** email address or by entering them in the **Live Support** form) or by directly specifying them on the **Site**.
5. Data that does not specifically identify the **User** is called **impersonal data**. It includes:
 - a. Browser information (e.g. name, version).
 - b. Information about the operating system (e.g. name, version).
 - c. IP address, location, time zone.
 - d. Any other information that does not disclose the **User**.
6. Data that uniquely identifies the **User** is called **personal data**. It includes:
 - a. First name, last name and patronymic.
 - b. E-mail address, phone number and links to social media pages.
 - c. Payment information.
 - d. Any other information to identify the **User**.

7. **Personal data** is used solely for the purpose of providing services by the **Company** to the **User** and cannot be provided to third parties, except for police and judicial structures of **Australia** at their official request.

8. **Impersonal data** is used for the quality provision of the **Company's** services to the **User**, and may be provided to third parties only for the purpose of collecting statistics on visits.

DATA SECURITY

9. All data is securely stored in accredited **Data Centers**.

10. The **Company's** servers have been successfully audited for all known threats.

11. The **Company's Constitution** defines special regulations for employee access to the data of its **Users**, which make it possible to almost completely rule out illegal disclosure of data and the human factor.

12. The largest share of internal procedures using **User** data is carried out automatically, which eliminates unlawful disclosure of data by **Company** employees and the human factor.

NOTIFICATION OF CHANGES

13. This **Policy** may be amended in the future without notice to **Users**.

14. The **User** is obliged to review this **Policy** each time he or she submits his or her **Personal Data**. Otherwise, the **User** automatically agrees to a modified version of this **Policy**.
